Forest Heights Resident Only Must  
show School ID or Proof of Residency

**Let's kick off a Great Year  
Let's Reach for the Stars  
Because the Bottom  
Is already full**

**Call now while Supplies Last**

#### **The Basic School Supplies List**

Glue sticks (at least three for the year)

Scissors (blunt ended for younger kids, pointed for older ones)

Ballpoint pens

No. 2 pencils (Stick with this classic to avoid classroom competition over whose writing utensil is the coolest — or most impractical.)

Colored pencils

A pencil sharpener (hand-held with a top to collect shavings)

A large pink eraser (The old-fashioned ones do the best erasing.)

Water-based markers

A four-ounce bottle of white glue

Highlighters (These are probably unnecessary for kids in kindergarten through second grade.)

Spiral-bound or composition notebooks

A three-ring binder

Loose-leaf notebook paper (Teachers can be picky about paper. Schools usually supply specially ruled handwriting paper to help younger children with letter formation. Older children use wide-ruled paper, and some middle school students will need the college-ruled variety.)

Pocket folders (If you get a folder with two pockets, label one "keep at home" and the other "bring to school" to help your child organize his papers.)

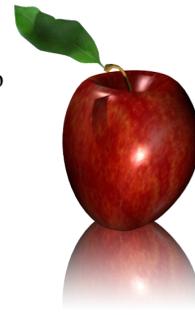

Printer paper and ink cartridges (for your home computer)

A ruler with English and metric measurements

Scotch tape

A stapler

A sturdy, supportive backpack (Some schools do not permit rolling backpacks because of space considerations, so check with your school before purchasing one.)

***The ultimate field trip***  
***Come enjoy a Back to School Day out***

It's back to school time!!! Let the kids enjoy a bouncing, laughing, sliding, ecstatic extravaganza to celebrate the end of summer! Come and go to **Six Flags** and have tons of fun. We are looking for 30 kids and 6 adult to volunteer age groups from 8 years to 18 years old.

Parents will celebrate the end of summer by doing what we did last year. A night at the **National Harbor with the Cirque du Soleil**. We are requesting thirty (30) people to attend.
