

## Local Student Selected Winner in “My Dream Playground” Contest

Congratulations to Forest Heights Elementary School student Keniah Fleming! Her drawing was selected as the winning entry for the "My Dream Playground" design contest that we had for our new KaBOOM! tot lot at Fox Way and Mohican Drive earlier in the spring! We surprised Keniah at the school Nov. 20 and presented her with a \$20 gift card to Toys R Us.

Keniah, who is 10 years old and in the 4<sup>th</sup> grade, says she hopes someday to become an architect or doctor. Her favorite subjects in school are science and physical education.

Congratulations again to Keniah and thanks to all of our talented students who participated in the contest!
