

Cpl. Cephus and Officer Bigelow of the Forest Heights Police Department's Community Collaboration Unit (C.C.U) organized another great event. Last month, they handed out over 800 food boxes as part of the Forest Heights Police Department's food drive. On Wednesday, October 5, them, along with Chief Rease and other officers from FHPD, hosted "Coffee with a Cop" at our local McDonald's, located at 5501 Livingston Road in Forest Heights, MD. They provided coffee, worked the front line, and the drive-up window that morning. One of the customers was so excited that the officers were really working "I've never seen coffee with a cop like this before," she stated. This is fantastic. Cpl. Cephus and Officer Bigelow are continuing to bring activities to the community. They are striving to improve to have a better relationship with residents and law enforcement.
